

Bibliography: Arthur M. Greenhall 1911-1998

1. 1928? **Snakes have hips.** Ripley's Believe it, or not!
2. 1932. de Sola, C.R. & Greenhall, A.M., **Two Species of terrapin in Cuba: The Antillean terrapin *Pseudemys rugosa*, and the Cuban terrapin, *Pseudemys decussate*.** Copeia. 1937. No. 3, pp. 129-133. October 7, 1932.
3. 1935. Ditmars, R.L. & Greenhall, A.M., **The Vampire Bat: a presentation of undescribed habits and a review of its history.** Zoologica, Contributions to Science by the New York Zoological Society. 19(2): 53-75.
4. 1936a. **The care of the bushmaster and of certain lizards in the New York Zoological Park.** Copeia. 1936. No. 1, p. 171. May 10, 1936.
5. 1936b. **A cannibalistic hog-nosed snake.** Copeia. 1936. No. 3, p. 171. November 25, 1936.
6. 1937. Ditmars, R.L. & Greenhall, A.M., **The Vampire Bat: a presentation of undescribed habits and review of its history.** Smithsonian Institution Annual Report for 1936. Publication no. 3427, pp. 277-296.
7. 1942. **Raymond L. Ditmars 1876-1942.** Herpelogica. 2:81-87.
8. 1946. Ditmars, R.L. & Greenhall, A.M., **The Vampire Bat.** In A Treasury of Science. Pp. 415-426. Harper & Brothers, New York.
9. 1949a. **Mr. Longneck has still legs.** Your Detroit Zoo. 3(4). March.
10. 1949b. **Ham among the animals.** Your Detroit Zoo. 3(5). April.
11. 1949c. **No-Gud-Nik gets up in the world.** Your Detroit Zoo. 4(1). September.
12. 1949d. **Pepsi II.** Your Detroit Zoo. 4(3). November.
13. 1951a. **Something Really rare.** Your Detroit Zoo. 5(3). February.
14. 1951b. **Lady Emu is boss of family.** Your Detroit Zoo. 5(1). September.
15. 1952. **Profile of a vampire.** Pageant. 8(6): 52-57. December 1952.
16. 1954. **Sounds of Animals.** Audible communication of animals. (recorded to tape at the Detroit Zoological Park, Michigan). Folkways Records. (Vinyl) Album No. LP-FPX 124 (Science Series) New York.

17. 1954a. **Natural History of the vampire bat.** Paper presented at the First Convention of the British Caribbean Veterinary Association, Kent House, Port of Spain, Trinidad B.W.I. Mimeographed 3 pp.
18. 1956. **Trinidad a bat paradise.** Animaland. Staten Island Zoological Society. 23(2):4-5.
19. 1956a. **Bats of Trinidad.** Journal of the Trinidad Field Naturalists Club. Pp. 16-17.
20. 1956b. **The food of some Trinidad fruit bats (*Artibeus* and *Carollia*).** Journal of the Agricultural Society of Trinidad & Tobago. Supplement. 56(3): 424-447, plates. September 2, 1956.
21. 1956c. **Is the Yapok or Water Opossum found in Trinidad.** Journal of the Trinidad Field Naturalists Club. 1956. p. 27.
22. 1957. **Food preferences of Trinidad fruit bats.** Journal of Mammalogy. 38(4): 409-410. August.
23. 1958. **Preliminary survey of the bat fauna of Patos Island, Venezuela.** Ministry of Agriculture, Port of Spain, Trinidad.
24. 1958a. **Epidemiology, and quarantine – rabies control and bat ecology.** Final Report of Fellowship WHO/PASB/58R/AMRO/61/71. September 1, 1958 Report to Pan American Sanitary Bureau, Zone 1, Caracas, Venezuela.
25. 1959. **Exhibiting Carnival Costumes. Trinidad Carnival 1959.** In Programme printed by Chronical Commercial Printery, 5 St. Vincent Street, for Atlas Advertising Agency Ltd. 13 Abercromby Street, Port of Spain, Trinidad. B.W.I.
26. 1959a. **The ecological role of Trinidad bats, especially the vampire, and bat rabies.** The Veterinary Record. 71(10): 188. Issue No. 4222. March.
27. 1959b. **Investigations of rabies vectors in British Guiana, including list of B.G. bats.** Report dated 11 May 1959 to the Ministry of Agriculture, Government of British Guiana, Georgetown.
28. 1959c. **Notes on local mongoos.** Journal of British Guiana Museum and Zoological Society. 22(2): 29-30. June.
29. 1959d. **Bats of Guiana.** Journal of British Guiana Museum and Zoological Society. 22(2): 55-57. June.

30. 1959e. **Check list of the bats of Trinidad and Tobago.** Caribbean Medical Journal. 21(1-4): 169-171.
31. 1959f. **Zoologist's Annual Report for 1958.** Government Printing Office, Trinidad, B.W.I., 11 pp.
32. 1960. Dirmars, R.L. & Greenhall, A.M., **The Vampire Bat.** Smithsonian Treasury of Science, Volume 2, pp. 571-592, Simon & Shuster, New York.
33. 1960a. Dirmars, R.L. & Greenhall, A.M., **The Vampire Bat.** Smithsonian Treasury of Science, Volume 2, Earth and Life, Essandess Paperback, Simon & Schuster, New York.
34. 1960b. Greenhall, A.M. & Stell, G., **Bionomics and chemical control of the free-tailed house bats (*Molossus*) in Trinidad.** U.S. Fish & Wildlife Service, Special Science Report Wildlife No. 53, 20 pp. August.
35. 1961. **Bats in agriculture.** Ministry of Agriculture, Trinidad & Tobago, 20 pp. February.
36. 1961a. Goodwin, G.G. & Greenhall, A.M., **A review of the bats of Trinidad and Tobago: Descriptions, rabies, infections and ecology.** Bulletin of American Museum of Natural History. 172(3): 187-307. June.
37. 1961b. **Storm forecasting by bats.** Journal of the Trinidad Field Naturalists Club. 1961. pp. 22-22. July.
38. 1962. Ajello, L., Greenhall, A.M. & Moore, J.C., **Occurance of *Histoplasma capsulatum* on the Island of Trinidad, B.W.I.** American Journal of Tropical Medicine and Hygiene. 11(2): 249-254. March.
39. 1962a. Goodwin, G.G. & Greenhall, A.M., **Two new bats from Trinidad, with comments on the status of the genus *Mesophylla*.** American Museum Novitates No. 2080, pp. 1-18, figures tables. April.
40. 1962b. Emmons, C.W. & Greenhall, A.M., ***Histoplasma capsulatum* and house bats in Trinidad, B.W.I.,** Sabouraudia, Volume 2, part 1, pp. 18-22.
41. 1963. Downs, W.G., Anderson, C.R., Spence, L., Aitken, T.H.G & Greenhall, A.H. (H. should be M), ***Tacaribe Virus*, a new agent isolated from *Artibeus* bats and mosquitoes in Trinidad, West Indies.** American Journal of Tropical Medicine & Hygiene. 12(4): 640-646. July.
42. 1963a. **A bamboo mongoose trap.** U.S. Fish & Wildlife Service, Wildlife Leaflet No. 453, 4 pp. figures, 8 July.

43. 1963b. **Use of mist nets and strychnine for vampire control in Trinidad.** Journal of Mammalogy. 44(3): 396-399. August.
44. 1964. **Eulogy to Dr. John Lennox Pawan.** Rabies. 3(1):14-18 (Summary in Turkish, pp. 19-20). Istanbul, Turkey. January 1963.
45. 1964a. **Bats: Their public health importance and control with special reference to Trinidad.** Proceedings of the Second Pest Control Conference, Anaheim, California, pp. 108-115. University of California, Davis. (Paper presented by invitation) March 4-5, 1964.
46. 1964b. Goodwin, G.G. & Greenhall, A.M., **New records of bats of Trinidad and comments on the status of *Molossus trinitatus*** Goodwin. American Museum Novitates No. 2195, pp. 1-23. September.
47. 1965. **La importancia de los murcielagos y de su control en la salud publica, con especial referencia a Trinidad.** Boletin de la Oficina Sanitaria Panamericana. 58(4): 294-302. April.
48. 1965a. **Trinidad and bat research.** Natural History. 74(6):14-21. June-July.
49. 1965b. **Aspects of ecology in vampire bat control in Trinidad.** Anais do Segundo Congresso Latino-Americano de Zoologia. Volume 2, pp. 322-325, Sao Paulo Brazil (Paper presented by invitation). July 1962.
50. 1965c. **Sapucaia Nut dispersal by greater spear-nosed bats in Trinidad.** Caribbean Journal of Science. 5(3-4): 167-171. September 1966.
51. 1965d. **Technique for the removal of the brain in bats.** Nature. 208(5014): 1014-1015. December 4, 1965.
52. 1965e. **Notes on the behavior of captive vampire bats.** Mammalia. 29(4): 441-452. December.
53. 1966. **Oranges eaten by spear-nosed bats.** Journal of Mammalogy. 47(1): 125. February.
54. 1966a. **Morcegos nunca sao de todo inofensivos.** Informacao Agricola (Ministerio da Agricultura). Ano. 1, no. 6. March.
55. 1966b. **Hexen fahren in Fledermaushaute Wie man die Tollwut-abertragen und nachulichen Blutsauger Fernalt Trinidad.**-ein Zentder Fledermausforschung. Das Tier, Jahrgang, nr. 6, pp. 3-35. June.
56. 1967. Paradiso, J.L. & Greenhall, A.M., **Longevity records for American bats.** The American Midland Naturalist. 78(1): 251-252. July.

57. 1968. **Vampiros y la rabia presente: Problemas e implicaciones en el control del vampiro.** Proceedings on the Latin American Conference on the Conservation of Renewable Natural Resources. Bariloche, Argentina. March-April 1968. IUCN Publication New Series no. 13, pp. 94-107, Morges, Switzerland.
58. 1968a. **Problems and ecological implications in the control of vampire bats.** Proceedings on the Latin American Conference on the Conservation of renewable Resources. Pp. 94-107 (Paper presented 23 March 1968 at San Carlos de Bariloche, Argentina. IUCN Publication New Series no. 13. Morges, Switzerland, 1968. UNDP/SF 242/FAO/Mex 16 Research on Paralytic Rabies Project Paper no. 2.
59. 1968b. **Bats, Rabies and Control Problems.** Oryx Journal of the Fauna Preservation Society. 9(4): 263-266. May 1969.
60. 1968c. Greenhall, A.M. & Paradiso, J. L., **Bats and bat banding.** Bureau Sport Fisheries and Wildlife Resource Publication no. 72, pp. iv-47, illustrations. July 1968 (actual appearance May 1969).
61. 1968d. **Notes on the behavior of the false vampire bat.** Journal of Mammalogy 49(2): 337-340. May.
62. 1969. Greenhall, A.M., Schmidt, U. & Lopez-Forment C., W., **Field observations on the mode of attack of the vampire bat (*Desmodus rotundus*) in Mexico.** Anales Instituto Biologia Universidad Autnoma de Mexico, Serie Zoologia. 40(2): 245-252. (Accepted for publication 28 August 1969, received from Dr. Bernardo Villa-R, 23 April 1972).
63. 1969a. **Vampire bats and paralytic rabies.** San Diego ZOONOOZ. 42(7): 14-18, illustrations. July.
64. 1970. **El uso equipo para vision nocturan para studio de campo de los murcielagos vampiros.** Paper presented. Resumen en 7th Reunion Annual del I.N.I.P. 14-15 Enero 1970. Mexico.
65. 1970a. **Ecological study of vampire bats in Mexico and their control.** FAO/AGA: Misc/70/2, pp. 1-6. (Rome, Italy)> Extract from the report of the UNDP/FAO/WHO Preparatory Assistance Mission on Paralytic Rabies in Latin America. United Nations Development Programme.
66. 1970b. **Vampire bat control: A review and proposed research programme for Latin America.** Proceedings of the 4th Vertebrate Pest Conference, West

- Sacramento, California, March 3-5, 1970, pp. 41-54, Publication of the University of California Davis, Department of Agricultural Zoology. No. 95616.
67. 1970c. **The use of a precipitation test to determine host preferences of the vampire bats, *Desmodus rotundus* and *Diaemus youngi*.** Proceedings of the 2nd International Bat Research Conference, Amsterdam, The Netherlands, March 20, 1970. Bijdragen Tot de Dierkunde, no. 1, pp. 74-76.
 68. 1970d. Greenhall, A.M., Schmidt, U. & Lopez-Forment, W., **Vampire bat control in Mexico.** Proceedings of the 2nd International Bat Research Conference, Amsterdam, The Netherlands, March 20, 1970. Bijdragen Tot de Dierkunde, no. 1, pp. 74-76.
 69. 1970e. **Report to the Government of British Honduras.** FAO/TA 32216, pp. 1-15, 1 map, September 14, 1970.
 70. 1971. Greenhall, A.M., Arellano, C. & Sureau, P., **El mantenimiento del murciélago vampire en regiones elevadas sobre el nivel del mar y nuevas técnicas de captura del mismo utilizadas en México.** Paper presented and Resumen pp. 35-36 8th Reunion Annual del I.N.I.P. 26-29 enero 1971.
 71. 1971a. Forment, W.L., Schmidt, U. & Greenhall, A.M., **Movements and population studies of the vampire bat (*Desmodus rotundus*) in Mexico.** Journal of Mammalogy. 52(1): 227-228. February.
 72. 1971b. Arellano, C., Sureau, P. & Greenhall, A.M., **Preferencia de la predacion del vampire en relacion a edad y raza del ganado y a la epoca del ano.** Rechneria Pecuaria en Mexico, Instituto Nacional de Investigaciones Pecuarias no. 17, pp. 23-25. April 19, 1971. Project Contribution no. 28 FAO/UNDP Research on Paralytic Rabies Project.
 73. 1971c. Arellano, C., Sureau, P. & Greenhall, A.M., **Estudios preferenciales de la predacion del vampire sobre el ganado, en relacion a raza, edad y epoca del ano.** Octava Reunion Annual, I.N.I.P., 26-29 enero 1971, Resumen p. 33.
 74. 1971d. **Lucha contra los murciélagos vampiros: estudios y proyecto de programa para America Latina.** Boletín Oficina Sanataria Panamericana, 71(3): 231-246.
 75. 1971e. **Conventional methods of vampire bat control. Mesa redonda sobre control de la rabia paralitica bovina.** 9th World Congress of Veterinary Medicine, 18 August 1971, Mexico City (to appear in the proceedings).
 76. 1971f. Greenhall, A.M. Schmidt, U. & Lopez-Forment, W., **The attacking behavior of the vampire bat, *Desmodus rotundus*, under field conditions.** Biotropica 3(2): 136-141.

77. 1971g. Schmidt, U. & Greenhall, A.M., **Untersuchungen zur percochlicher und tierung der Vamperfiendermiuse (*Desmodus rotundus*)**.
78. 1971h. Schmidt, U., Greenhall, A.M. Forment, W.L., **Okologische Unersuchanpen der Vamperfiendermiuse (*Desmodus rotundus*) im Staate Puebla, Mexico**.
79. 1971i. **Book Review. Biology of Bats**. Ed. W. Wimsatt, Academic Press, NY 1970 In Zoonosis 13(3): 211-213 (Spanish), pp. 213-216 (English).
80. 1972. **Vampiros y fauna Silvestre**. Paper presented Novena Reunion Annual del I.N.I.P. enero 1972, Mexico City.
81. 1972a. Campos Vela, J. M. & Greenhall, A.M., **Evaluacion de tres zetanol serologicos en los identificacion del . .** Paper presented at the Novena Reunion Annual del I.N.I.P. enero 1972, Mexico City.
82. 1972c. **Rabies, bats, livestock and wildlife (la rabia en murcielagos, ganaderia y fauna silvestre)**. Paper presented at the 37th North American Wildlife & Natural Resources Conference. Technical Session No. 1, March 1972, Hotel Camino Real, Mexico City. Conference 12-15 March 1972. Written and presented by invitation.
83. 1972d. **Book Review. Troost, Lucille Wood. 1971. A cycle of seasons: The little brown bat**. Young Scott, 47 pp. Science Books: A Quarterly Review 7(4): 317. (American Association of Advanced Science).
84. 1972e. **Studies of the vampire bat, *Desmodus* and wildlife. 16 mm color film**. Abstract No. 64 of paper presented at 92nd Annual Meeting, American Society of Mammalogists, University of South Florida, Tampa Florida, June 18-21, 1972.
85. 1972f. Greenhall, A.M., Schmidt, U. & Lopez-Forment, W., **Preliminary studies of the interactions between feeding vampires under natural and laboratory conditions**. Mammalia, 36(2): 39-44.
86. 1972g. **The biting and feeding habits of the vampire bat, *Desmodus rotundus***. Journal of Zoology, Zoological Society of London, volume 168, pp. 451-461.
87. 1973. **Indiana Bat: A cave-dweller in trouble**. National Parks and Conservation Magazine, 47(8): 14-17, August.
88. 1973a. **Book Review. Ewer, R.F. 1973. The Carnivores**. Cornell University Press, Ithaca, New York, 495 pp. Zoonosis. Quarterly Bulletin Centro Panamericano de Zoonosis, 15(3): 229. (Spanish and English).

89. 1974. **Vampire bat control in the Americas: A review and proposed program for action.** Bulletin of the Pan American Health Organization 8(1): 30-35.
90. 1974a. **Book Review. Adler, Cy A. 1973. Ecological Fantasies.** Green Eagle Press, New York, 350 pp. A.A.A.S. Science Books and Films.
91. 1975. **La rage de de chauves-souris.** La Revue Francaise de Medicine (40 Rue Paul-Valery, 75116 Paris) 16(10-11): 751-754. International Issue on Rabies (with English summary). Article prepared on invitation of the editor and members of the Expert Committee on Rabies – W.H.O.).
92. 1975a. **Book Review. Hiser, Iona Seibert. 1975. The Seals.** McGowan, Steck-Vaughn Wildlife Series, Austin, Texas, 30 pp.
93. 1976. **Book Review. Carrighar, Sally. 1975. The Twilight Seas.** Weyheight & Talley, New York, 179 pp. A.A.A>S. Science Books and Films, 11(4): 211. March.
94. 1976a. **Care in Captivity.** Pp. 89-131. In Biology of Bats of the New World, Family Phyllostomatiidae. Part I. (eds. R.J. Baker, J.K. Jones, Jr. & D.G. Carter). Special Publication of the Museum of Texas Technical University, no. 10, 218 pp. Lubbock, Texas.
95. 1983. Greenhall, A.M. & Lord, R., **Bats of Argentina.** Monograph Series, Centro Panamericano de Zoonosis, Buenos Aires, Argentina.
96. 1977. **Birds imported into the United States in 1973 and 1974.** US Fish & Wildlife Service Wildlife Leaflet No. 511, 7 pp.
97. 1977. **Control of House Bats.** Trinidad Naturalist Magazine, 1(10): 11.
98. 1982. **House Bat Management.** US Fish & Wildlife Service. Resource Publication No. 143, 33 pp.
99. 1983. Greenhall, A.M. Joermann, G. & Schmidt, U., **Desmodus rotundus, Vampire Bat.** Mammalian Species. No. 202, pp. 1-6, figures. American Society of Mammalogists.
100. 1983a. **Bats. Handbook on Prevention and Control of Wildlife Damage.** (R.M. Timm, Ed.) Cooperative Extension Service University of Nebraska, Lincoln.
101. 1983b. Greenhall, A.M., Lord, R. & Massola, E., **Key to the Bats of Argentina.** Pan American Zoonoses Center, Special Publication No. 5, Illustration 57, pp. 103. (Spanish and English).

102. 1984. Greenhall, A.M. Joermann, G. & Schmidt, *Diphylla ecaudata*, **Hairy-legged Vampire Bat**. Mammalian Species. American Society of Mammalogists. No. 227, pp. 1-3, figures 4.
103. 1984? Greenhall, A.M. & Handley, C.D., Jr., *Diaemus youngi*, **White-winged Vampire Bat**. Mammalian Species, American Society of Mammalogists.
104. 1985. **Effect of Vampire Bats and Paralytic Rabies on Livestock Production**. In W.E. Howard and R.E. Marsh, eds. Pests, Predators, and Parasites. Part A, vol. 31. Vertebrates: World Animal Series, Elsevier Science Publication Company Amsterdam, The Netherlands. Pp. 537-553.
105. 1985a. Pine, R.H., Anderson, J.E., Ligara, T., Bucher, J.E., Tank, Jr., D.H. & Greenhall, A.M., **Labile Pigments and Flourescent Pelage in Dedelphid Marsupials**. Mammalia 49(2): 249-256.
106. 1988. **Natural History of Vampire Bats: *Desmodus*, *Diaemus*, *Diphylla***. Eds. Greenhall, A.M. & Schmidt, U., CRC Press, Boca Raton, Florida. Catalog No. 6750, Index, 272 pp.
107. 1988. **Feeding and Feeding Behavior**. In Greenhall, A.M. & Schmidt, U, Eds. The Natural History of Vampire Bats: *Desmodus*, *Diaemus*, *Diphylla*. CRC Press, Boca Raton, Florida. Catalog No. 6750, pp. 11-131.
